WORK EXPERIENCE

ORGANIZATION NAME	TIME PERIOD
Software Engineering Gurugram	23 Jan 2023 to Currently
Live Deftsoft Informatics Pvt Ltd	18 Nov 2020 to 23 Dec 2022
EWeb A1 Professionals Pvt Ltd	07 Feb 2018 – 18 Nov 2020
Mechlin Software Technology Pvt	01 May 2017 – 05 Feb 2018

Experience Summary

- More than 8 years as a software professional with experience in design, development, analysis, testing, support of iOS applications.

HackerRank:

<https://www.hackerrank.com/profile/AmarendraBaitha>

Key Strength:

- *Devote Towards Work.*
- *Leadership Quality with Helpful nature.*
- *Quick Learner.*
- *Cool Versatile Nature.*

Hobbies:

- *Listening to music.*
- *Reading Newspapers.*
- *Watching movies*
- *Playing and watching Cricket*

- Strong software development experience in designing and developing B2B, B2C and enterprise mobile applications using Swift, Objective-C and SwiftUI.
- Extensive experience in iOS technologies including Swift, SwiftUI, Objective-C, Core Data, Swift Data, Firebase, Realm Database, File Manager, Google Analytics, Social APIs, Rest APIs, Third party APIs, Agora APIs, AVFoundation, MapKit, Call Ki, XCTest, XCUTest, UI Automation
- Good experience in payment gateway like In-App-Purchases, Pay-Pal, Stripe, Apple Pay, Chat system using Socket.IO, Firebase real time database and real-time and local notification using Apple push notifications, Firebase notifications.
- Ensure to complete SDLC (Software Development Life Cycle) including AGILE methodology.
- Hand-on experience in Apple Human Interface Guidelines and App Store submission process.
- Strong problem-solving and debugging skills, Version control using Git GitLab, Source tree.
- Proven ability to work independently and collaboratively with diverse teams.
- Good communication, presentation and leadership skills.

Technical Skills

Mobile Technologies	iOS, Swift, SwiftUI, Objective-C, XCTest, XCUTest, Xcode
Frameworks	Core Data, Firebase, Realm, Swift Data, MapKit, AVFoundation, CoreML, ARKit
Build Tool	Xcode
Version Control	Git, GitLab, Source tree
Cloud & APIs	Firebase, Agora APIs, Google Analytics, Social APIs , REST APIs, Third Party APIs
Design Tool	Figma, Adobe XD
Operating System	MacOS, iOS
Project Management	Agile/Scrum

Achievements:

- Completed UdeMy Course for iOS development with SwiftUI 6 and Swift 6 for iOS 18.

- Completed LinkedIn Course for Enterprises Methodologies: Agile Software Development.

Projects:

Project	AST2 - Diagnostics App
Client	Software Engineering Gurugram
Role	Senior iOS Engineer
Period	Mar 2023 - Feb 2025
Environment	Swift, SwiftUI, XCUTtest, MVVM, REST APIs, XCAutomation
Domain/Industry	For Diagnostics (Internal use app)
Description	Created MacOS App for diagnostics of device, Add Automation UI and functional testing for multiple iPhone and iPad applications.
Role & Responsibilities	• UIDesign and development • Core Data, Rest APIs implementation • Implement XCUIAutomation • Testing and Report Submission

Project	Moocher - Find Dates Or Friends iOS App
Client	Deftsoft Informatics Solution
Role	Senior iOS Engineer
Period	Jan 2022 - Nov 2022
Environment	Swift, Socket.IO, MVVM, REST APIs, Call Kit, APNs, Agora APIs, Google Maps, Geo Location
Domain/Industry	Social Networking
Description	Swipe, connect, find love or friends based on location, preferences etc. It's about chemistry between people who see each other, like, dislike, make friends, Video call, Audio call, Chat with each other.
Role & Responsibilities	• UIDesign and development • Real-time chat using Socket.IO, Rest APIs implementation • Real-time calling using Agora framework. • Build scalable dual-role system and MVVM architecture.

	Unit Testing and App Store Submission
AppStore Link	https://apps.apple.com/us/app/id1482252105

Project	My PDF Scanner - Scan Document for iPhone App
Client	Deftsoft Informatics Solution
Role	Senior iOS Engineer
Period	Apr 2021 - Dec 2021
Environment	Swift, Google Analytics, MVVM, REST APIs, Firebase APIs, APNs, Realm Database, Local FileManage
Domain/Industry	Business
Description	Scan any documents using a custom camera like ID-Card, Passport, Business Card etc to PDF with build in recognition feature. Try text recognition to edit text, translate into different languages, save in a database, share to anyone. Solve math problems by scanning.
Role & Responsibilities	- UIDesign and development - Rest APIs and third party (Google translator, Math problem solver APIs) APIs implementation - Build scalable dual-role system and MVVM architecture. - Unit Testing and App Store Submission
AppStore Link	https://apps.apple.com/in/app/my-pdf-scanner-scan-%20documents/id1560099788

Project	Capital Society - Venue App for iPhone and iPad
Client	Deftsoft Informatics Solution
Role	iOS Engineer
Period	Mar 2020 - Mar 2021
Environment	Swift, MVVM, REST APIs, Core Data, APNs
Domain/Industry	Food & Drink

Description	Capital Society is a loyalty application to reward our loyal customers. This application can be used when you do transactions in our venues and you will be instantly rewarded with points on your app wallet. Also have special offer for birthday, event etc
Role & Responsibilities	• UIDesign and development • Rest APIs, Core Data, APNs implementation • Build scalable dual-role system and MVVM architecture. • Unit Testing and App Store Submission
AppStore Link	https://apps.apple.com/us/app/id1482252105

Project	Altitude Inflight Magazine App for iPad
Client	Eweb A1 Professional
Role	iOS Engineer
Period	Jan 2019 - Oct 2020
Environment	Swift, MVVM, REST APIs, Core Data, APNs, File Manager
Domain/Industry	Travel
Description	Altitude is the perfect travel resource for global travellers and frequent fliers giving you unlimited access to a growing selection of over 50 inflight magazines from the world's leading international airlines. You can read, mark as favorite, download for offline reading etc.
Role & Responsibilities	• UIDesign and development • Rest APIs, Core Data, APNs,File Manager implementation • Build scalable dual-role system and MVVM architecture. • Unit Testing and App Store Submission
AppStore Link	https://apps.apple.com/us/app/altitude-inflight-magazines/id1453353332?amp%3Bmt=8&ls=1
